

## **Numerical Reasoning – A Training Guide**

**ISBN n°978-2-918796-18-3**

**September 2016**

### **ERRATUM**

**Page 51**, paragraph 1 - please read '35.5' instead of '35.55'.

**Page 231**, question 76 - c): please read '- 729' instead of '729'.

**Page 235**, answer to question 84 – replace "In 10 days, 10 hens lay 10 eggs. Therefore, one hen lays 1 egg per day. So, in 10 days, 20 hens will lay 20 eggs. » with « In 10 days, 10 hens lay 10 eggs, hence 20 hens will lay twice the number of eggs during the same period of time so 20 eggs. »
